Dear Sir:

I am enclosing $2.00 in United States currency, and would like to have you have some cambio send us as many of the different new coins issued in 1935 and 1936 as he can supply after deducting postage.

We already have the 2000 reis caxias piece of 1935 and the 300 reis Gomez piece of 1936. We understand there is a new 100 reis piece. This Museum would appreciate this favor from you.

We have been reading with much interest the Revista Numismatica of your Society.

Very truly yours,

Dear Sir:

Please disregard our letter of March 11th, which referred to an earlier letter dated January 5th. The coins about which we wrote have today reached our hands.

We are most appreciative of your efforts in our behalf and for your consideration in turning over our request to Porcher and Klabin Ltd., through whose courtesy we received the coins.

Very truly yours,
